

# ACCENT

# Always a wise choice.

## The new ACCENT

### Choose with complete confidence.

The new Accent builds on a well-earned reputation for reliability, economy and safety by adding bold, modern styling to the list: Its new cutting edge look will be earning nods of approval wherever you go. But beyond its bold, modern lines, the new Accent also delivers powerful performance with high-efficiency powertrains equipped with six-speed transmissions to maximize fuel economy. And in the matter of safety, the most important category of all, the new Accent comes with advanced safety features that elevate all-round protection to the highest standard yet. Inside and out, Accent is a reflection of Hyundai's passion for engineering excellence.

# Stylish and practical.

The new Accent strikes a perfect balance between stylish flair and practicality. The pace-setting style certainly gets noticed but once you have experienced Accent's dynamic performance and explored its rich set of comfort and convenience features, you'll understand that Accent's beauty isn't just skin deep. The new Accent comes well-equipped with comfort and convenience features and is offered with a variety of options that best suit your needs.

## Where to?

Close by or far away, you'll be looking forward to the drive in your new Accent. First, there's the daring and confident Accent style and that always elevates the driving fun factor. And then there's the driving dynamics department where Accent exceeds all expectations by delivering solid -performance and nimble handling. Whether cruising along wide-open highways or inching along in clogged city traffic, you'll find that Accent is a quiet and capable performer providing you with all the cabin comforts you need to relax and enjoy the drive. Family cars were never this much fun.

Aero-sculpted front end with parametric grille pattern

LED headlamps with MFR & projection fog lamps

LED Rear combination lamps  
Outside mirrors & repeaters

Rear lip spoiler  
16" alloy wheels

Power sunroof

# Evolution or revolution?

Either way, Accent's futuristic design raises the high-tech quotient and that will certainly be turning heads. The eye-catching grille features a bold, new parametric design and a chrome finish for a premium presentation. LED headlamps with Multi-Focus Reflectors help you see better at night while providing a touch of high-tech flair that gets noticed.

## Productive time.

Accent's well-appointed two-tone cabin provides the perfect space to relax and to be productive too. Once you shut the doors, the peace and quiet will amaze you because Accent is exceptionally well-insulated from road and wind noise. And to keep you well connected and productive while you're on the road, the 8-inch multimedia display offers full support for smartphone connectivity and a lot more through a touchscreen display with easy-to-navigate menus. The colorful dials on the instrument are razor-sharp, precise and easy to read thanks to digital display technology.

Steering wheel includes remote control functions for audio, cruise control and Bluetooth

### Full-digital instrument cluster

This next-gen instrument panel provides more information than ever and displays it with digital precision and razor-sharp clarity. The integrated 4.2-in display in the center tracks trip distances, calculates km to refueling, offers oil change reminders and much more.

### 8.0" Display audio

Supporting Bluetooth 4.0 that interfaces with your smartphone, this multi-functional color LCD provides a touchscreen interface showing the rear camera image, time/date, MP3 player status plus AM/FM radio tuning with RDS.

### Automatic climate control

Simply set the digital readout to the desired temperature and the powerful blower provides cooling, heating and ventilation to keep you perfectly comfortable regardless of the outside conditions.

# Love the simple things in life.

When life gets complicated then the best remedy is to rediscover life's simple pleasures. Like going for a walk or taking a drive to get away from it all. Whether you prefer your adventures to be solo-style, with friends or the entire family, Accent makes it all happen—it simplifies things. Accent is ideally sized, so it's perfect for singles, couples and friends but it's very family-friendly too. The powertrain stays true to the brand values Accent has always stood for: simplicity, reliability and economy. Accent also comes equipped with an array of advanced safety features that will give you peace of mind knowing that you're well protected. And all of the essential comfort and convenience features are there, exactly where you expect them to be. When you discover the joy of doing more with less, you know it's Accent time.

# Reliable and Efficient.

Accent comes with a choice of powertrains to suit personal requirements. Whichever you specify, you can always depend on Accent to deliver impressive and reliable performance. Accent adopts tried and true technologies like variable intake systems that let the engines adjust their breathing to power demand, six-speed transmissions and multi-point injection for maximum fuel economy.

<b>Gamma</b> 1.6 MPi Gasoline	<b>Kappa</b> 1.4 MPi Gasoline	<b>Ull 1.5</b> Diesel with VGT
123 ps/6,300rpm	100 ps/6,000rpm	115 ps/4,000rpm
15.4 kg-m/4,850rpm	13.5 kg-m/4,000rpm	25.5 kg-m/1,500-2,750rpm
		

**6-speed automatic transmission**  
You will hardly notice this 6-speed gearbox doing its work. Automatic shifting is quick, smooth and quiet but also very convenient. Its efficient design helps maximize fuel economy.

**6-speed manual transmission**  
For drivers who put economy above all else, the 6-speed manual is the perfect choice. Clutch operation is easy and predictable and as you shift through the gates, there's a nice, precise feel.

**Front disc brakes**  
To ensure maximum stopping power, every Accent is equipped with 14-inch front disc brakes, a vacuum brake booster and an anti-locking brake system.

# Safety.

From the moment you step inside Accent, you experience that wonderful feeling of being well-protected. More than a feeling, it's a fact. Accent protects you and your loved ones with some of the most advanced safety technologies available in the automotive industry today.

6-airbag system

Driver and front passenger are protected by two front airbags and two side airbags. Side curtain airbags running the length of the cabin improve head protection and increase the total airbag count to six.

Static Bending Light

Hyundai's 2003 NEOS-II concept car pioneered this innovation which uses turns of the steering wheel to switch on auxiliary lamps that illuminate dark areas to the side that are not covered by the headlamps.

Auto Cruise Control

Set the desired speed and the automatic feature takes cruise control to the next level by automatically braking and resuming acceleration to ensure that a safe distance is always kept between you and the vehicle ahead.

Electronic Stability Control

ESC can detect skidding and using computerized technology, it will automatically apply the brakes to individual wheels to counter the loss of directional control, help maintain vehicle stability and reduce the risk of a collision.

Hillstart Assist Control

Stopping and starting on very steep road can be stressful and potentially dangerous. HAC prevents the car from accidentally rolling backward whenever the brake pedal is released on a hill.

Emergency Stop Signal

Capable of telling the difference between regular braking and panic braking, this feature will automatically start flashing your brake lights if it detects sudden heavy pressure on the brake pedal thus warning drivers behind you.

# Features

## Smart key

No more fumbling through your pockets or purse. If the key is with the person, it enables push-button start and remote locking/unlocking of doors and trunk.

15" wheel covers

15" alloy wheels

16" alloy wheels

Halogen headlamps

Chromed grille with parametric design

Bulb-type rear combination lamps

Electric folding mirrors

Solar glass

Push-button start / Smart key

Metal inside door handle

Rheostat & Electronic Stability Control

Seat folding system (60:40 type)

Rain sensor

Chrome coated door handles

Aero wipers

Safety windows

Heated side mirrors

Smart trunk

Radio+RDS

Child seat anchor system

USB port & 12V power outlet

Driver seat height adjuster

Glove box with cooling

Rear camera

Chrome beltline molding

High mounted stop lamp

Rear parking assist system

Rear reflector

Manual air conditioning system

One-touch triple turn signal

Power windows

Sliding center console

Window defogger
